

# Dr. Mary "MJ" McConner, CDE

International Keynote & Conference Speaker | DEI Thought Leader | Consultant | Educator

## ABOUT ME

Dr. Mary "MJ" McConner is the Founder and CEO of Inclusive Excellence Consulting. She is a Certified Diversity Executive (CDE) and multi-award winning entrepreneur who has worked in the diversity, equity, and inclusion (DEI) and international education sectors for over fifteen years.

Experiencing the workforce as a Black dyslexic woman and member of the Hard of Hearing community has given her a firsthand understanding of how crucial it is to prioritize equity, accessibility, and inclusion within organizational systems, cultures, and practices. She has dedicated much of her professional career to understanding the evolving challenges impacting different organizational cultures and how to foster environments committed to equity and inclusion.
